

**D**iscover the Swedish countryside and its extraordinary landscapes with one of our countryside motoring tours. Overnight accommodation is at some of Sweden's finest Countryside Hotels ranging in style from renovated manor house to fashionable Inn; 13th century convent to hunting lodge.

All are in beautiful settings, by lake or river, fishing village or parkland and although individually owned, share similar qualities of exceptional service, friendly atmosphere and excellent cuisine.

Whilst the style of hotel varies considerably, each is fully licensed with an a la carte restaurant and tastefully furnished public rooms. Bedrooms all have private bath/shower and WC and most have a telephone, radio and TV.

Motoring through the Swedish countryside is an ideal way to enjoy the extraordinary landscapes for which Sweden is renowned. Driving conditions are comfortable and relaxed, taking either the main roads or following more scenic routes.

**Tailor Made** We can modify any one of our itineraries, add a night here or there or start from scratch to provide you with a tailor made itinerary; please telephone or e-mail us to get things going.
