

Treat yourself and your family to a summer's adventure staying at the van den Broeck family Inn by Lake Sommen spending your time riding, cycling, canoeing and just gently enjoying the countryside. Round off your trip with a couple of days in Stockholm where a day in the archipelago is a must.

WHAT TO DO HERE

More than you will have time for! Riding, cycling, canoeing, gentle hiking, fishing are all options which Marianne van den Broeck will arrange or help you with for each coming day. If the weather is less than perfect on some days, the old town in Linköping and Vadstena's church and convent are worth a visit. Whatever you do with your days a freshly cooked dinner made with local produce will be ready for you when you return.
