

Some of Norway's spectacular scenery reveals itself on this newly introduced tour: the dramatic Geirangerfjord with its overhanging waterfalls, the emerald green waters of Lake Loen, the unparalleled Kjendal Glacier and the Sognefjord. Overnight hospitality is at two of Norway's most famous fjord hotels renowned for their night time buffets and family atmosphere.

## HOTEL ALEXANDRA

With landscaped gardens looking out over an emerald green lake, the views, whether of mountain or lake, are something special. Members of the Grov family are somehow always around keeping an eye on things and perhaps it is this special attention that makes the hotel something of a gem.

- 191 rooms • Lobby café • Live Music 6 nights a week • Tennis court/crazy golf
- 2 restaurants • Indoor and outdoor swimming pool • Bicycle hire • Boat and pedal boat hire • Bar/piano bar • Souvenir shop • Nightclub • Sauna/solarium • Spa

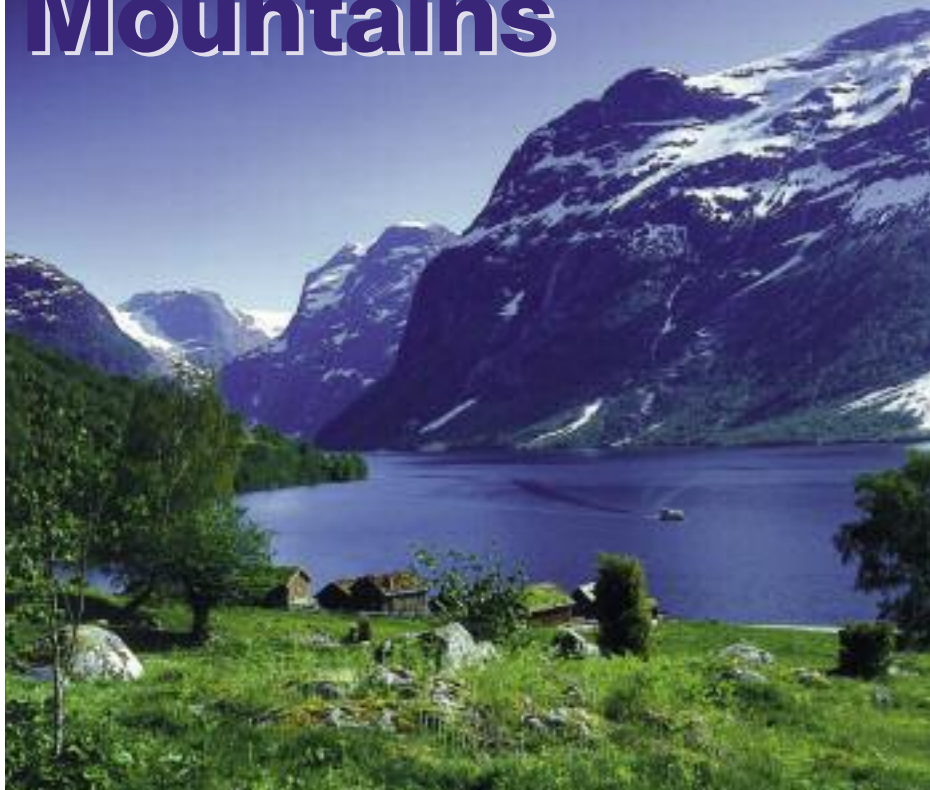

## HOTEL KVIKNES

Originally popularised in the late 19th century by German and British aristocracy, Scottish fishermen and painters who came for the magnificent light reflected on the Sogne, the hotel is still owned and run by descendants of the founding family. Built on a promontory overlooking the fjord, it is the centrepiece of the tiny village of Balestrand, one of whose features is a replica Anglican Church originally commissioned by an English woman to appease her father for having married a Viking!
