

Drive down the valleys, alongside the fjords and over the mountains, to get 'up close and personal' with Norway's best attractions. You will find our motoring itineraries full of contrasts and awe inspiring sites with welcoming hospitality along the way.

Our routes are chosen for both scenic content, easily do-able driving distances and opportunities for excursions both en-route and at stop-over points. Each tour has at least 3 two night stops to ensure a relaxing holiday. All accommodation is at superior class hotels including half board other than in Bergen. Your car comes completely free of any extra charges and with our exclusive zero collision damage waiver excess insurance.
