

**C**ontrast the raw beauty of Greenland with the geological marvels of Iceland in this mid Atlantic island hopping adventure. Take a day long husky safari against a backdrop of the world's second largest ice cap; watch bergs drifting down the fjord at the end of an adventurous day; stand awestruck before the thunderous waters of Gullfoss and marvel at Geysir's steaming fumaroles.

**HOTEL KULUSUK**

Just 1 km from the airport (don't worry it's not exactly Heathrow) and 2 km from the village of Kap Dan, the hotel's stellar feature is the view of the Ice filled fjord from the bar. All 34 rooms are clean & simple with private wc/shower.
