

Romantic Norwegian LAPLAND

Lying 250 miles above the Arctic Circle and the plains of Norwegian Lapland, is Ongajok mountain farm about as far away from modern life as it's possible to get. Perfect for a wedding with family and friends you can be married in nearby Kafjord Church or at the farm.

ONGAJOK MOUNTAIN FARM

An exquisite group of traditional wooden buildings meticulously restored & renovated providing charming rooms and a restaurant. Espen & Line Ottem pride themselves on their kitchen, serving up such delicacies as hare ragout, reindeer grilled with wild mushrooms, cloudberry ice cream, etc, etc. To make everything that much more special a wedding party here would have exclusive use of the farm. So you need to have at least 8 family & friends with you.
